

## Exhibitor/Vendor Invitation

February 25, 2008

The Teachers Teaching with Technology (T<sup>3</sup>) Program provides training for K-16 educators who are interested in enhancing the teaching and learning of mathematics and science through appropriate use of Texas Instruments handheld technology.

You are invited to exhibit at the Teachers Teaching with Technology (T<sup>3</sup>) Regional Conference, which is a combined annual conference for the Mississippi Council of Teachers of Mathematics (MCTM), and will take place in Biloxi, MS on November 14 - 15, attracting more than 250 math and science K-16 educators from the region.

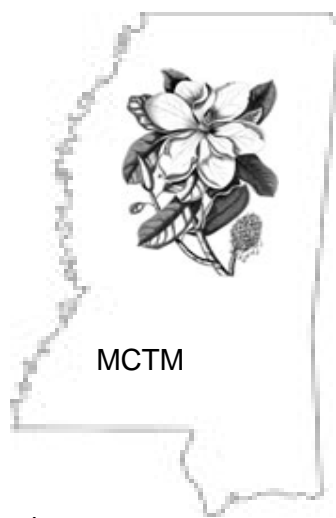

There is a \$150 charge to exhibit during the conference; however space is limited, so only a small number of exhibitors will be able to attend. Exhibitors will be provided with a 6 ft. table. Table cloth and skirting are required. You may rent these or bring your own. The exhibit area will be in the conference area at Biloxi High School. Lunch will be provided to the exhibitors.

Your company is also invited to sponsor (or co-sponsor) a function during the conference, such as, breakfast, evening snacks, or session breaks. Costs for sponsoring one of these functions varies from \$500 to \$1,000, depending on the function. For your support and contribution, your company's name will be included in the program and a special recognition will be made during the conference.

Please fill out the enclosed forms and return it to me by May 30 if you are interested in exhibiting or sponsoring a function during the conference. We look forward to your participation and support.

Sincerely,

Jason Ross  
T<sup>3</sup> / MCTM Conference Exhibitor Coordinator  
65 Sallie Road  
Wiggins, MS 39577
